

# ALI HASSAN

Senior Full Stack Developer

+923477860969

raoalihassan1145@gmail.com

Bahawalpur, Punjab, Pakistan

## SUMMARY

I'm a professional full-stack developer specializing in the **MERN stack** and modern JAMstack. I bring expertise to crafting **custom, static, and dynamic business websites** that prioritize user experience and functionality.

Experienced Web Developer adept in all stages of advanced web development. Bringing forth expertise in design, installation, testing and maintenance of web systems. Proficient in an assortment of technologies, including Next.js 14, React, Typescript, Tailwindcss, Express.js, FastAPI, and MongoDB. I'm also a strong team player and effective communicator, always collaborating closely with clients to ensure project success.
